When submitting this article to the journal *Sociologia: Revista da Faculdade de Letras da Universidade do Porto*, for the purposes of transparency and ethical accountability, the author(s) declare(s) that:

☐ **No Artificial Intelligence (AI) tools were used in the process of preparing the manuscript.**

If you have indicated that no AI tools were used in the preparation of the manuscript, the declaration ends here (date and sign at the end of the document). **You must submit this document in PDF format, together with the manuscript.**

☐ **Artificial Intelligence (AI) tools were used in the preparation of the manuscript.**

If you have indicated that AI tools were used in the preparation of the manuscript, **please answer the following questions.**

1. AI tools used (please state the name of the tool, the provider and the version, where possible).

2. Stages of the work in which AI was used (e.g. linguistic rewriting, grammatical revision, data analysis, image generation, amongst others). Please note that ***Sociologia: Revista da Faculdade de Letras da Universidade do Porto*** does not accept articles whose content has been written exclusively using AI.

3. Degree of AI involvement (briefly and transparently describe the level of support provided by AI and the extent to which it was used in the article's production process).

4. Prompts or instructions used (specify the prompts, keywords or commands provided to the AI tools used, in sufficient detail to ensure transparency and a clear understanding of their use).

The author(s) declare(s) that they assume full responsibility for the content of the submitted article, guaranteeing its originality, scientific rigour and compliance with the journal's ethical and editorial standards.
